

**It's almost time for you to come to school. Hooray!!**

**It is called the Alexander Hosea Primary School. It is a fabulous school. You are going to love it!**

# How are we going to get to know each other?

Your grown ups are going to bring you for a story time first of all. We will do this outside so I hope it's sunny! They can stay and enjoy the story too. After the story you could come for a quick peek at the classroom but your grown ups will need to wait for you outside.

You are going to come along to meet myself and Ms Johns at school or have a meet on the computer. You could bring a favourite toy or anything else that you want to show us.

You are going to come for a 'stay and play' session to see the classroom. You will need to come to the gate and practise saying goodbye to your grown-ups there. There are some pictures later on in this book.

You will be part of Topaz class.

Mrs Windmill is your teacher

Ms Johns is your teaching assistant

Mrs Barry will be with us on some afternoons.

# You will wear two different uniforms.

On some days you will wear this sort of uniform.

Sometimes we will ask you to wear outdoor clothes and wellies so that we can go to the woods.

- black or navy joggers
- school blue hoodie or sweatshirt
- PE T shirt
- trainers (any colour)

On Wednesday and Friday you will wear your PE uniform.

It is important that we all arrive on time and follow the one way system to come into school so when your grown ups say it's time to go, get ready super quick.

In at the goose gate

Follow the arrows

Can you see the rainbow of hearts?

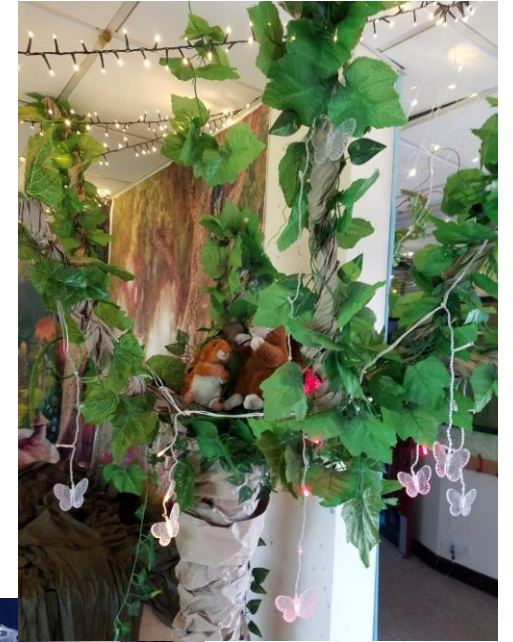

We will meet you here! This is where you will say goodbye to your grown-up.

You go out of the other gate

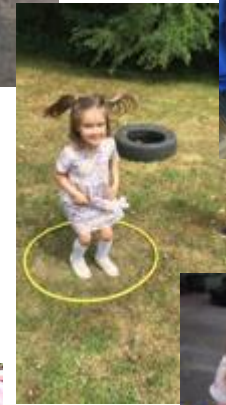

# Our classroom is looking magical.

You will have lots of fun inside and outside..

# The toilets are very close by.

This song is really fun  
for hand-washing!

<https://www.youtube.com/watch?v=L89nN03pBzI>

You will have a peg to  
hang your coat on. You  
can choose your own  
picture when you come  
for storytime.

What do I bring on my first day?

Please bring:

Water bottle

A painting apron

Coat

Please leave these things at home:

Backpacks

Pencil cases

Your own toys

Oh I forgot, bring..... your smile!

As we have had Coronavirus around lots of you have been in your home nest with your family for a long time now so you might have lots of feelings inside about coming to school. There will be new things to get used to. You can always talk to us about how you are feeling.

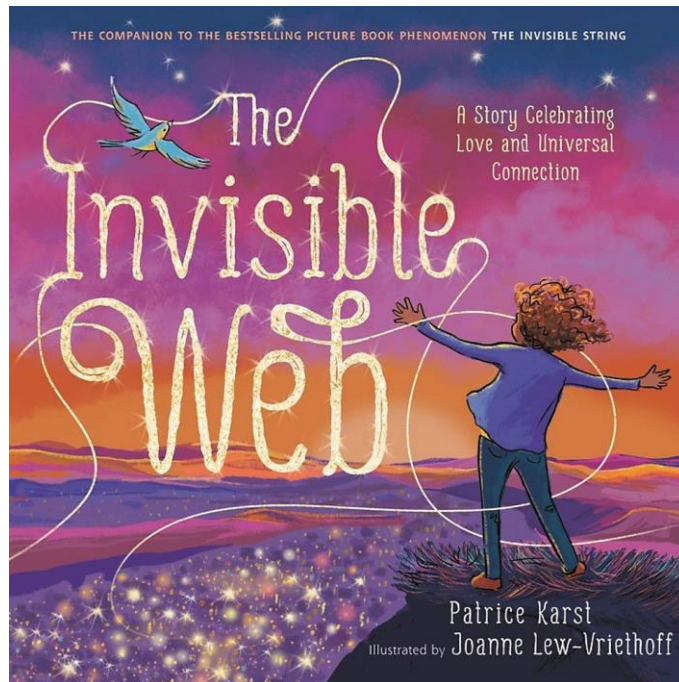

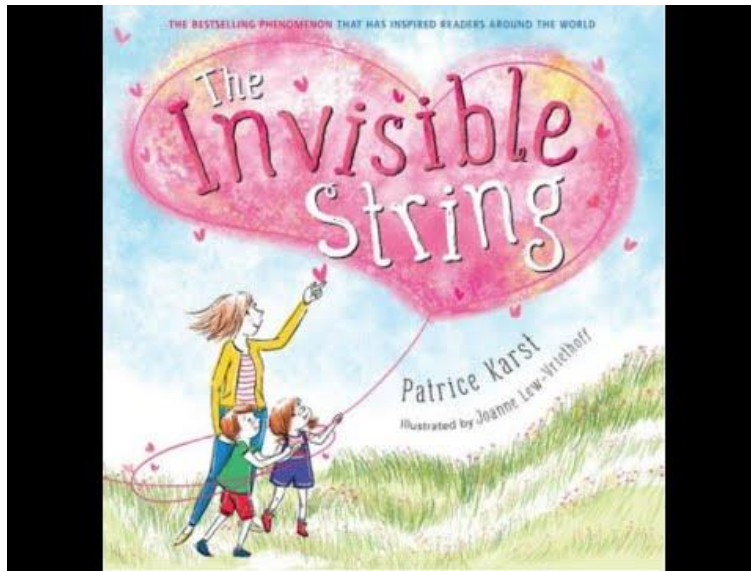

We want you to be chirping with happiness about all of the things you do in school.

You might want to share these stories. I think they will help you to know that your grown-ups are always going to be there for you.
