

Topaz News

Dear All,

Our Jigsaw theme of kindness has continued this week and the book 'Have You Filled a Bucket Today?' has helped us to think about how we might be making others feel. Jigsaw Jenie has also been showing us how to relax with her chime.

In maths we have been talking about whole and parts of things. We chopped our whole fruits into parts and used them to make our kebabs. It was like a very healthy picnic.

Phonics and reading

Phonics

This week we have introduced the sounds j/v/w/x/y/z/zz. Add these to your keyring. That completes the single sounds now. Keep practising sounds and blending. The yellow book is the place to record this practise.

Practise now will really benefit your child.

Trip to Redwood – Tuesday 30.11

I am so excited to be able to take the children on a trip! They will need:

- Layers of clothes including hat, scarf, gloves, waterproof trousers, wellies
- A named bag with spare shoes in it
- Packed lunch (if you haven't booked one from the school kitchen)

We will be able to leave our bags in a wooden hut when we get there so won't have to carry them all day. We will leave and return within the school day so drop off and pick up will remain the same.

I will post pictures on Evidence Me as soon as I can.

Next Week

We will be making things for a stall at the Christmas event 3.12 (4-7pm) to raise money for things for our learning environment. Please try to support this event run by the Friends of Alexander Hosea Primary.

Warm regards, *Sally Windmill*
