

Friday 15<sup>th</sup> September 2023

# Topaz Newsletter

I have thoroughly enjoyed having the children in school this week. We have had a wonderful start to school this week and all the children have been settling in well. They have made new friends and are getting stuck into all the new learning that we have to offer.

Here are some photos of what we have been getting up to over the week.

We have been discovering some bugs, exploring the role play area, making dinner with playdough, writing secret messages, painting some pictures, and seeing how cars move. This is just a small snippet of what we have been up to!

## Reminders:

- Parents meeting for all parents: Thursday 5<sup>th</sup> October 2:30pm-3:30pm.
- Children need to bring coats into school with them as the weather can change quite unpredictably at this time of year.
- Should you need to get in contact about something it would be best to email myself [james.keeping@sgmail.org.uk](mailto:james.keeping@sgmail.org.uk)

We are looking forward to another amazing week next week!
