

Topaz News

I hope you enjoyed the journal share this week. I am very proud of all of the childrens' achievements this year and it is lovely to share their journeys with you. There will be another one next term.

Sports Day

We are all ready for sports day now. We hope that the weather will be good for racing on Tuesday. The children will sit with us so that we can get them ready for each race. When the races have finished, we will bring them in to wash their hands and get ready for lunch. We will then bring the children to the playground to meet with you for lunch if you are able to stay. Those having school lunch will have their lunch with them. Please:

- Send a hat
- Apply sun cream, remembering that we will be wearing our PE kit so need cream on our legs
- Let us know if you are not able to stay for lunch. We will have a picnic with those children

You can leave your child to play in the playground if you need to leave during lunchtime. A member of staff will be at the gate.

Learning

We have carried on with shape learning and counting in different ways this week. Please carry on supporting this at home this week as we will have a little check-up of how far we have come with this learning next week before the half term.

Kind regards,

Sally Windmill
