

## Topaz News

Dear All,

This week we have met up with the other half of the class and tried out school lunch. Both events have gone very well.

Lots of time has been given to making friends and getting to know each other this week. Some of us have branched out and started to make new friends and some of us just love to see familiar faces to play with every day. Either way things are going well and we are becoming a really brilliant Topaz class very quickly!

### Skills to support with at home

We always encourage the children to be as independent as possible. As well as learning new skills it also helps them to develop confidence and self-belief. Although we don't change all of our clothes for PE we do take off shoes, socks and jumpers so being speedy with this would really help.

Please send a coat every day as the weather can change and we will be outside for some part of every day. Learning how to put coats on and do them up will also be a great help.

Children are expected to eat their lunch with a knife and fork rather than a spoon so practise this at home too. You can always make this into more of a game with some playdough food.

### Rhyme of the week

Our rhyme this week is called 'A Cup of Tea'. The video will be on its way to you via Evidence Me.

### Next week

We come in at 8.45am next week and go home at 3pm.

Warm regards, *Sally Windmill*
