

Ruby News

The children have had a first fantastic week in school! They have been exploring inside and outside playing with the sand, role play, mud kitchen, play dough, drawing, writing and more! I hope they have told you all about it!

Some of the children had an exciting time on a bug hunt looking at their colours and legs! Many children wrote down what they saw and drew pictures.

We had our first experience of PE, hopping and jumping to the music! Some of us found it a bit of a challenge to do up buttons so keep practising.

Please remember your child needs a coat everyday as we go outside in all weathers.
