

# Topaz News

Thank you for all of the junk modelling rockets that have been sent in so far, please can these all be in by Monday 9<sup>th</sup> Feb.

We would like to make our rocket launch day a whole WOW-day so we thought we would ask the children to dress up as their favourite planet/star/constellation or anything else you might find in space. This could be as simple as blue trousers and a green top for Earth, a sparkly dress for Venus, all red for Mars. Or you could be a bit more creative, completely up to you. This will be on Thursday 12<sup>th</sup> Feb. We will also make the afternoon into a bit of a party so children can bring a party plate like they did for our Christmas party.

Sorry for the journal share confusion! This is definitely on Wednesday 11<sup>th</sup> February at 3pm.

Here are some pictures of the modelling clay aliens we made this week!
