

Topaz News

Dear All,

As you will know, we have started the transition process this week by letting the children know about their classes for next year. It always makes me a bit sad but we know that they will be amazing in Y1 and I will visit them all the way through the school. I hope that they leave us with some lovely memories. Mrs Cleverley came to say a quick hello while we were doing some maths this week. The children will spend 3 sessions with Mrs Rehman and Mrs Cleverley at the beginning of July. In the meantime we will carry on having fun and learning lots!

Learning

This week we have explored the jungle pictures of Henri Rousseau. We have made up some music to go with them and described how it might feel to be in those jungle pictures. After talking about how to make a background and add layers to the picture, the children have loved creating their own pictures to hide creatures in. Look at some of our artists!

Next week we will be thinking about vegetables, tasting fruits so let me know if this is going to be a problem for your child.

As always thank you for your support. Kind regards,
