

Topaz Class

It has been wonderful to have Topaz back for our first Summer Term. They all seem to have grown over the holidays again! All the children have settled back into the swing of learning amazingly.

This week in maths we have been focusing on length and height. We have been exploring the language of shorter and longer alongside taller and shorter. The children have been busy using blocks to measure and compare how long their feet are.

Topaz class have also started to explore some programming. They have been making small courses which they send programmed Beebots around.

Jack and the Beanstalk has been our focus text for this week. The children have been busy retelling the story through the role play. In this the children have been climbing the beanstalk, taking the gold, eggs and harp and chopping down the beanstalk to name some of the things!

Key dates coming up:

- Monday 22nd April Class Photo
- 30th April – 3rd May – Book Fair – In Library see email from Miss Clark for further details.
- Monday 6th May – Early May Bank Holiday

Coming up next week

Next week we will be focusing on the Three Little Pigs. We will continue our coding and wrapping up our height and length learning in maths. We will also be revisiting and building upon our learning of writing speech bubbles.

We will be continuing to have our weekly forest sessions so please ensure that the children come with their forest gear on a Friday.

Way to support at home

Reading five times a week at home to help develop fluency in reading.

Practising reading and identifying digraphs within words. Please continue to use the purple books to support the learning of phonics at home using the personalised home learning.
