## Topaz News

### **Book Day**

The children looked amazing in their costumes on World Book Day. Thank you for your support. The Friends of AHS have sent you an invite to take part in the reading challenge today to link in. This can include you sharing a book with your child. Perhaps you could try to share the recommended books for Reception children as part of the challenge?

### **Learning**

This week we have made dragon puppets as well as continuing to make models. This has really helped us with developing our use of shape language and made our fingers much stronger. We still need some more tubes and egg boxes if you have any at home. We made some posters about our lost dragons linking descriptive vocabulary and sentence skills.

At home keep working on the skills in the green books.

Many thanks,

*Sally Windmill*
