

Topaz Class

We have had a very busy time in Topaz class as we get used to all the routines of being in school all day!

This week we have started our phonics learning where we start to introduce the letter sounds to the children. The children will bring home a purple home learning book today which has the sounds we have learnt this week, the action and way to write each sound. There is also a loose copy of the sounds so you can make your own flashcards to practice at home. Home learning books need to be brought back into school each Thursday so we can put in the new sounds each week.

We have enjoyed exploring our outside areas in the sunshine this week with opportunities to develop our physical skills on our new climbing equipment, bikes and even giving our big chalkboard a clean after mark making!

Coming up next week	Ways to support at home
Please book your child's school lunch on Arbour Please wear PE kit on Tuesday for our first PE lesson	Practice sounds learnt this week (please check Evidence me later today for further details)

Have a lovely weekend, Mrs Grainger
