

# Topaz Newsletter

The children's third week in and final week of term 1 has been great. The children have worked hard on their learning and are all very tired! We hope you all have a great half term and look forward to hearing about what you all get up to upon your return to school.

Below is some information that we have received questions about, so I hope it helps:

## Uniform:

- I know it is important for children too look their best but please be aware that in school children are only allowed to wear blue hairbands that match the school uniform.

## Reading:

- Shared reading books will be sent out this Friday. It is beneficial for you to read with your child 5 times a week as this will support their learning.

## Home learning:

- Home learning will be sent out on a Friday in the homeschool books.
- This Friday we will be sending home personalised home learning to go along with the normal phonics home learning this is designed to benefit the learning needs of each child.

## Party invitations:

- Due to time constraints within class we will not be able to hand out invitations within class. To support party invitations we ask that they are sent via the Whatsapp group. If you are not in this group please contact Tara on [taralou.price@sgmail.org.uk](mailto:taralou.price@sgmail.org.uk) . Tara can also send out invitations via our emailing system that ensures that all children receive invites.

## Gate Changes:

- As the children have been coming so well we have decided that after half term the children will all come in through the Infant corridor in the main playground. Mrs Windmill will stand on the gate and either Ms Johns or Mr Keeping will be stood on the door to the infant corridor.
- On the way out the children will come out through the blue room which is the corner room of the main playground. Please could we ask that you stand relatively close to the door so that the children can see you.

We hope you all have an amazing half term!

Mr Keeping
