Aspirations Week

The children looked wonderful in their outfits for Big Me day. Thank you for your efforts with this. It seems that we have lots of police officers, doctors and nurses in the making!

Redwood

At last we got out on our first trip. It was wonderful to see some happy faces enjoying the great outdoors!

It was lovely to spend some time having fun outdoors with the children. I'm sure they all needed a good soak in the bath afterwards!

Next week we will carry on with our dinosaur interest with a new understanding of swamps!!

Kind regards,

Sally Windmill
