

# Topaz News

This week we have been looking at patterns again. We have learned about different types of repeating patterns, AB, ABC, ABB and ABBC. We have also looked closely at daffodils and learned the different parts. We have done observational drawings of them and added labels. We have also read the story Dear Dinosaur and written our own letters.

Next Friday is wear sparkles for comic relief. Please make sure outfits are suitable for PE and forest. If girls are wearing tights, please send in shorts for them to change into.

## Coming up next week

## Ways to support at home

Repeated Read – Dear Dinosaur

Maths – Exploring numbers 15-20

- Consolidating doubles, parts of 5 and parts of 10.
