

Topaz News

We had a great day on Thursday, celebrating World Book Day. The children were very excited to show off their costumes to each other and to the rest of the school during our WBD assembly. We had lots of time throughout the day to share the books that children brought in.

Phonics Reading Books

Even though some children's books are getting longer and wordier, it is important for comprehension that they are reading or hearing the whole book every time they read it. If on the first couple of reads when they are still blending, you let them read the first half and then you take over and read until the end, that would be fine. The aim is for all children to be able to read their whole book without blending by Thursday. Please make sure children are reading their book 5 times every week.
