

## Topaz News

Dear All,

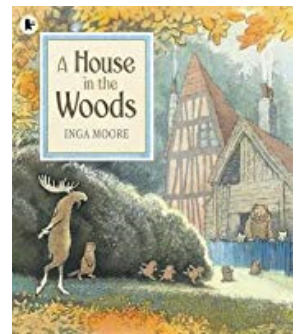

We have made it to our first half term!

### Hedgehog rescue

As you know we had a very interesting visit from Yvonne with a baby hedgehog. She talked to us about how to make our gardens more hedgehog friendly and about how to make our rubbish safe for hedgehogs.

Afterwards we shared a story about some animals building a house in the woods then we went outside to see if we could build a house just the right size with the play pod materials.

Then we went off to the woods to make some homes for the hedgehogs before it gets too cold for them. I hope that you have a wonderful half term and look forward to seeing you all back in term 2.

Kind regards,

*Sally Windmill*
