

Topaz News

We have started our new project of Superheroes! The children have already been inspired to do some amazing writing when we had a visit from the Evil Pea so had to write police reports describing what he had done to the fruits and vegetables! Our roleplay area is now a Bat Cave and Bat Mobile giving lots of opportunity for imaginative play and creating our own narratives. We have been doing some geography and learning about the difference between a village, town and city this week. In art, we have started to use digital media to create a cityscape background for a superhero picture. We will continue our Superheroes project after the Easter holidays.

For our Slimbridge trip next week, please can children bring wellies, puddle suit, packed lunch and water bottle in a backpack. They will need to carry their own bags so please don't pack anything unnecessary. They will not need bookbags or and books that day. We will be going in Welly Boot Land so waterproofs and wellies are essential. Please arrive at school as close to 8.50 as possible so that we have plenty of time to get ready before getting on the coach. We will arrive back at school before the end of the day.
