

Topaz News

Dear All,

We have had an amazing time in Topaz this week!

This week we have been having fun with some dances that will help with our physical development.

You could have a go at home with these links

<https://www.youtube.com/watch?v=dpdZu40K6GU>

<https://www.youtube.com/watch?v=GkrZBsOlt3k>

We have been exploring Numicon. We use this to help with our numbers. We will be starting with lots of accurate counting. Our focus will be using our counting finger to match one to one as we count.

Curriculum morning

Remember to try your best to join us on Thursday at drop off time. There will be a reply slip in the green book to return on Monday.

End of the day

It would really help if you could come across in line with the door that we come out of. It can be quite hard for the children to spot you in the crowd.

Kind regards,

Sally Windmill
