Learning

We have been talking about making healthy choices and staying safe this week. On the Life Bus Harold talked to us about needing sleep, water, air, food and exercise. We also talked about our feelings and how to cheer ourselves up if we are sad.

It is national anti-bullying week this week so in assembly Mrs Williams talked to us about respecting others as that is the national theme. She also reminded us about the 4Bs in our school rules: Be Kind, Be Respectful, Be Responsible, and Be Safe.

In our learning time we have been making posters using our drawing and writing skills to help us remember.

In maths we have continued to explore Numicon. Being able to look at the piece of Numicon and knowing which one it is without counting will help us develop number sense. There is something in the home learning books that you can do at home.
