

Topaz News

Dear All,

Thank you to all who came along to the curriculum morning. If you were unable to and you want any information, feel free to drop in at any point. After school or lunchtimes are better than first thing in the morning as we are keen to greet the children and get going. It was a fantastic turn out so I thank you for your support. The web links for clean sounds and blending are below:

Keep an eye on home learning books in the book bag. They will have current sounds being learnt and any individual learning that will support your child.

Playtimes

We have met the older children in the playground this week. Our Play Pals have been helping us to find our friends. Next week they will join us at lunchtimes to help out.

Please send a coat every day as it can get chilly during the day. If they bring scarves and gloves, remember to name them.

Morning

Our day starts at 8.50am, usually with some singing and physical development dances. Small group interventions also take place from 8.50. It is a good time for the children to settle into the day by doing some fun activities so try to get your child to us before 9am so that they can benefit from this.

Kind regards,

Sally Windmill
