Topaz News

Dear All,

It has been an amazing week in Topaz class this week. The children are settling well, and we have even joined the other children in assembly.

Phonics

We have carried on learning sounds and playing game to help our ears to tune. The sounds we need to learn are in our home learning books. The hedgehogs without blue marks on them are the ones that your child needs to learn next. We are hoping that you practise these at least 5 times a week so that we can start using them in our reading and writing.

Learning

We have continued having fun learning inside and outside. We had a trip to the woods making nature crowns. We talked about growing our ruby powers that encourage us to be kind and work as a team.

We are looking forward to our trip to Redwood after the half term. Please return slips if you haven't yet done so.

We will learn outdoors in all weathers so please **send a coat every day**, just in case it gets cold or wet after drop off.

Advance notice of dates:

Christmas show : 18.12.2018 from 10 until 11am

Open afternoon to share your child's journal with them 3 – 3.30pm (parents/grandparents welcome) 22.10.2018

then 10.12.2018 at 3pm

Many thanks,

Sally Windmill
