

Topaz Class

We have had a lovely first week in Topaz and have enjoyed our time getting to know each other and exploring different areas. We have been in our classroom and outside area and have also enjoyed exploring the trim trail climbing equipment on the playground too. Next week we will come together as Topaz class and, very excitingly, stay for lunch!

I will soon begin sharing learning and updates through our online learning journal, *Evidence Me*. Please ensure you have accepted the invitation to join or let me know if you are having any problems with this.
