Topaz News

Dear All,

It has been another busy week in Topaz.

Phonics

Phonic and number flippers are now in book bags. We have learnt lots more sounds this week. Over the next week we will consolidate with some games. There are activities to support phonological awareness in the home learning books.

Learning

We have had a focus on drawing over the last couple of weeks. I have been blown away by the progress made. We have some amazing portraits for you all to look at when you visit the classroom. We have also been painting woodland creatures. At home encourage drawing and painting as this will help with physical development and the formation of letters.

We have also been counting lots of things and using the Numicon to make number lines.

Learning journal share is at 3pm on Monday. Come to the front door to sign in please. We ask you to sign out at 3.25 so that you can zoom round to meet us when we come out. I will warn the children that this will be happening.

Many thanks,

Sally Windmill
