

## Topaz News

### Learning

Winter has arrived in Topaz this week.

There has been a lot of talk about solving problems to grow our diamond powers. We have been solving lots of number problems. The elves sent us an email about a terrible problem that they had too. We have been busy making new plans for the elves using our drawing and writing skills. We will link these skills when we learn in the elf workshop next week.

We have been developing our paint and collage skills by making some snow people to add to our winter environment. We are already linking these skills to some toy pictures.

### Class helpers

If you have offered to help and had your checks and meeting with Mrs Williams, Please can you let me know which day and time you are available.

Keep **next Friday evening** free for the Christmas fair. We will be selling things that we make to raise money for our class.
